NISSAN

THE NEW NISSAN QASHQAI

New Nissan QASHQAI. Defy Ordinary.

Qashqai - the original crossover - has done it again - defying expectations. It continues to overcome the challenges of the city, bringing excitement to urban drivers with its eye-catching, refined design, our even sharper advanced technologies, and enhanced connectivity. Ideal for urban driving, Qashqai e-POWER* uses a petrol engine and lithium-ion battery to power an electric motor, giving you the pleasure of an electric drive.

The new, sporty N-Design grade brings you bold, distinctive styling with no compromise on comfort. Black Alcantara®[1] and Black Quilted Leather[2], two-tone paint and a N-Design specific interior add an extra level of dynamism and elegance to the range.

All you have to do now is decide which Qashqai to choose.

** e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.*

[1]Alcantara® on dashboard padding, door inserts, door armrest, central console and knee pad. [2]Black quilted leather on customer touch points only.

Images and descriptions shown are for guidance purpose. In some instances photos are of non-local specification vehicles and do not represent a specific model, grade or offer. The features shown may not be available or may not be vailable as standard or only as option.

Sharp modernity. Redefined.

With its new, sporty and more dynamic proportions, new Qashqai is an icon redefined. Bolder, subtly sophisticated and resolutely striking, its new lighting signature and sharply cut grille add a powerful expression of modernity.

New redesigned front grille

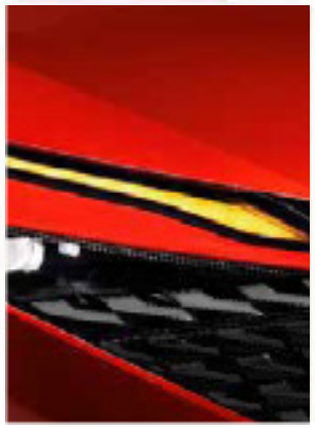

New rear bumper

New LED lights*

New 20" alloy wheels

New 20" N-Design wheels* with a distinctive geometric pattern, plus new LED lights with sequential turn signals* enhance an increased sense of poise and performance.

**Feature available depending on version, as standard or only as option (at an extra charge).*

نيسان موتور ايجيبت لها الحق في تغيير بعض المواصفات و التجهيزات دون إشعار مسبق. أي من المواصفات و التجهيزات معرضة للتغيير لتلائم المتطلبات والظروف المحلية.

A true sense of harmony.

Step into a more harmonious, refined interior. With quality materials carefully chosen to complement each other, it makes every journey more relaxing, more rewarding... more Qashqai.

Alcantara® & Part Leather[1]

e-POWER* shifter[1]

Surrounded by refinement.

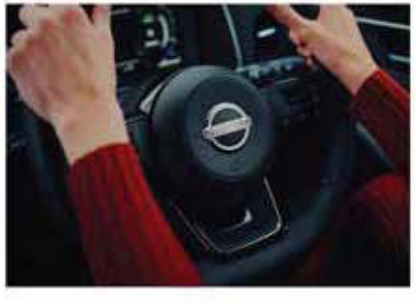

A new, more elegant interior, with quality materials, superior finishes and subtle, sophisticated, customisable*lighting create an instant feeling of calm and comfort in a cabin you can truly make your own.

Feature available depending on version, as standard or only as option (at an extra charge).*

Onboard quietness.

New thicker glass and improved soundproofing mean less road noise, less wind noise and a calmer, more peaceful, journey

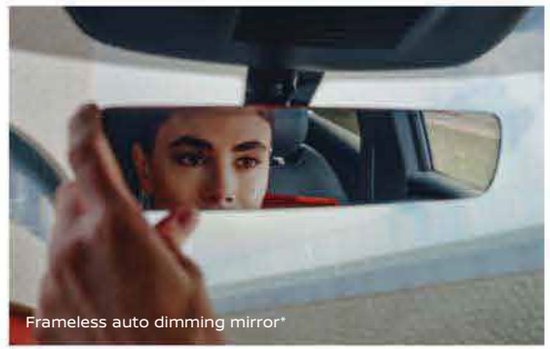

e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.*
[1] Feature available depending on version, as standard or only as option (at an extra charge). [2] For non-QI certified devices, wireless charging performance can be limited.

Elegance at its best.

Qashqai's cabin is even more designed around you. From the three sharper, clearer digital displays* to the ergonomically-designed cockpit and seating to the convenient cup holders, USB outlets and storage space. Everything is right where you need it, effortlessly.

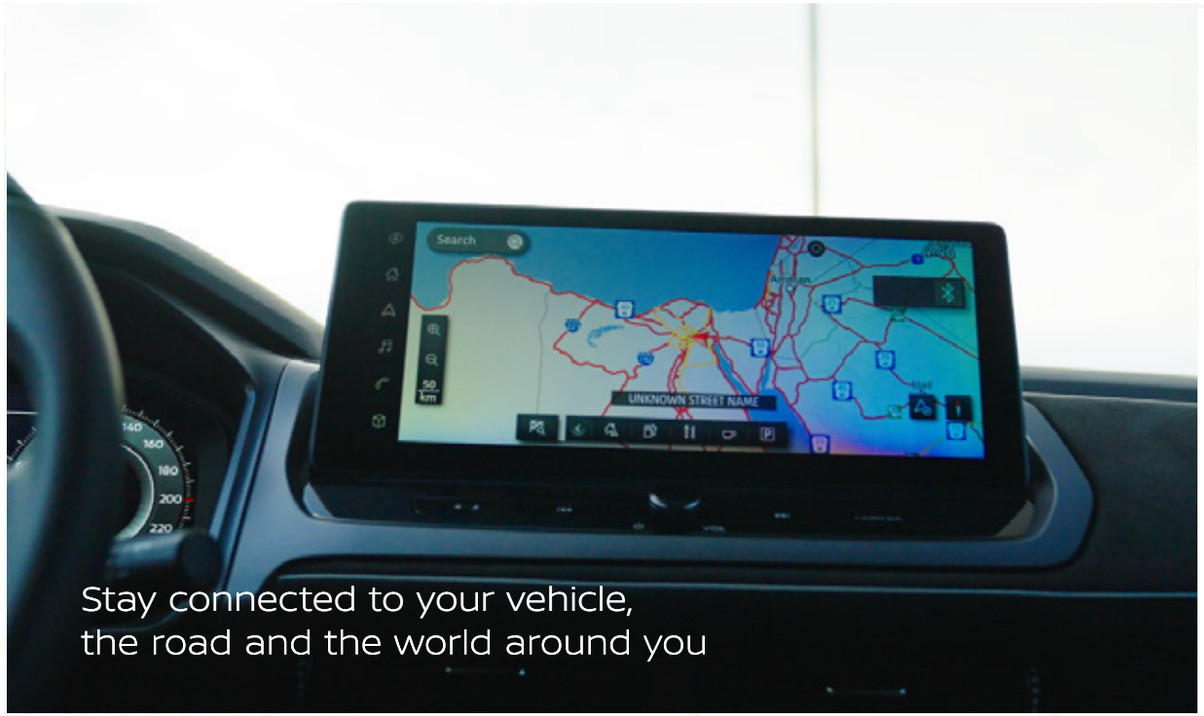

Frameless auto dimming mirror*

Stay connected to your vehicle,
the road and the world around you

FREEDOM OF CHOICE

Use Apple CarPlay®[3][4] and Android Auto™[3][4] to access your music, messages, favorite apps and more while you're driving. Benefit from in-car connectivity, wireless for Android Auto and Apple CarPlay.

PERSONALISED DRIVING EXPERIENCE

Focus on your drive thanks to Qashqai profile personalisation[5] [for up to six drivers]. Your Qashqai recognizes you and adapts to your needs & preferences including car language, radio station, journey settings & history, app. login and configuration.

Works with Apple CarPlay | Works with Android Auto

On board with Google built-In.

Qashqai is now as much a part of your Google ecosystem as all your essential devices[1]. Interact seamlessly & naturally in & out of your Qashqai by accessing core Google apps and services making your car a logical extension of your digital world.

Google Maps [2]

Simple Google Maps navigation with live updates and no need to connect your smartphone. Once connected to your Google Account, get a personalised experience with maps that match your routine, your preferences and your schedule.

Google Play [2]

Whether for functional needs (e.g. parking) or for pure entertainment, Google Play Store brings over 70 apps[6] to Nissan's in-car catalogue when you're connected to your Google Account. Use of the apps requires an internet connection. You can purchase in-car WIFI or use your phone data.

[1] Feature available depending on version

[2] Google, Android, Android Auto and other marks are trademarks of Google LLC

[3] Apple CarPlay® and Android Auto™ are available free of charge, depending on model and/or grade. For more information, please contact your Nissan dealer

[4] Apple CarPlay® is trademark of Apple Inc., registered in the U.S. and other countries. Compatible Android phone and compatible active data plan required."

[5] Feature available depending on version, as standard or only as option (at an extra charge)

Focus on what matters.[1]

Every Nissan Qashqai is now equipped with advanced safety technologies[2] to monitor the road and help keep you and your passengers safe.
helping to provide a comfortable, relaxing driving while maintaining an ideal distance from the vehicle in front.

Nissan Qashqai, with its suite of active and passive safety technologies, has achieved a 5 star Euro NCAP safety rating

INTELLIGENT CRUISE CONTROL
Keeps your distance. It measures the distance from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

INTELLIGENT FORWARD COLLISION WARNING
Keeps an eye up to two vehicles in front of you. When the system detects a sudden deceleration ahead, it gives you an audible and visual warning to slow down.

EMERGENCY LANE KEEPING
A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane either by steering wheel action or braking in an emergency situation.

INTELLIGENT EMERGENCY BRAKING WITH JUNCTION ASSIST, PEDESTRIAN AND CYCLIST RECOGNITION
Monitors constantly the presence of vehicles, cyclists, or pedestrians in your way. The system warns the driver and applies brakes if there is any danger ahead and if it is necessary. Junction Assist improves safety at intersections by reducing the risk of collision with upcoming traffic.

[1] It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual [2] Feature available depending on version, as standard or only as option (at an extra charge).

Qashqai Accessories

1 - Wireless illuminated kick plate
Add some premium styling with this wireless illuminated kick plate. It's easy to clean and protects your car from scuff marks, scratches and other wear.
Available in two versions: with the Qashqai logo or additionally with the e-POWER logo for e-POWER versions.

2 - Entry guard non illuminated
Sleek entry guard designed to protect from scuff marks caused by footwear.
Made from vacuum-formed, quality aluminium with a brushed finish.

3 - Rear bumper protector
It protects your rear bumper from scratches and other wear when you load or unload your trunk.

4 - Luggage entry guard
Designed to protect the bumper from scratches at the boot entry point.

Mudguards
Designed to ensure durability and performance as it protects from mud and road debris as it acts as a barrier between tires and the painted surface.

A - Recycled velour, luxury and rubber mats
Designed for your safety with floor clips that prevent the mats from moving.
Premium feel for added comfort and convenience to keep dirt and mud off floors.

B - Reversible trunkliner
A Nissan genuine trunk liner designed to fit the vehicle's interior to offer the best possible fit and optimal protection. One side of this easy to remove liner is hard wearing velour while the other is easy-to-clean rubber ideal for carrying pets or muddy garden waste.

A - Roof box
Carry luggage safely and securely with our aerodynamic roof boxes. Includes QuickFix system for enhanced ease of use. Available in small, medium or large.

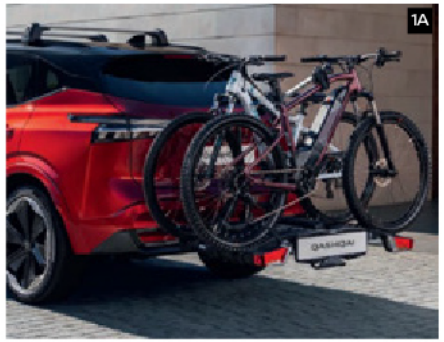

1A - e-Bike carrier towbar mounted
This e-Bike carrier is designed to carry a combination of normal and e-bikes.
13-pins - 3 bikes - Foldable

1B - Fixed and removable towbar
Nissan towbars are engineered to match the designated towing capacity of each powertrain. Our range includes both fixed and easily removable towbars.
MILD HYBRID: 1,800kg - e-POWER: 750kg
