S : Standard - : Not Available O : Option O¹, O² : Set option
Standard and optional equipment availability may vary for individual markets.
Please note that the specifications and equipment are subject to change without prior notice.
*Bluetooth® is a registered trademark of Bluetooth® SIG, Inc.
**ESP is a registered trademark of Daimler AG.
The ESP is designed to help keep the vehicle under control. However, the degree of engine torque reduction, the wheels that brake and their braking force vary according to the driving conditions. ESP® is essentially a system to assist stable driving. In the case of slippage or skidding that exceeds the limits of grip between tyres and road surface, ESP® will still function but may not be effective.
